

DECLARATION OF A PUBLIC EXIGENCY

On this day, October 13, 2025, pursuant to authority granted the Executive Director of the Ohio Facilities Construction Commission (OFCC) by R.C. §123.10, and at the request of Central State University, I declare that a public exigency exists at Central State University's Foundation Hall II.

Exigent action is necessary to evaluate and provide for replacement of a damaged fire alarm system impacting Foundation Hall in use by students and employees. To ensure immediate protection of the building and to protect its use, Central State University is requesting costs as reflected in a quote to purchase, replace, and install the system estimated to cost \$345,400.

A handwritten signature in blue ink, reading "Joy Bledsoe".

Joy Bledsoe, Executive Director
Ohio Facilities Construction Commission
