- B. ODE enters into this Agreement in reliance upon Contractor’s representations that it has the necessary expertise and experience to perform its obligations hereunder, and Contractor warrants that it does possess the necessary expertise and experience.
- C. Contractor shall perform the services to be rendered under this Agreement and ODE shall not hire, supervise, or pay any assistants to Contractor in its performance of services under this Agreement. ODE shall not be required to provide any training to Contractor to enable it to perform services required hereunder.

### II. SCOPE OF WORK

ODE, its agents and other appropriate State agencies and officials may review, audit, and make copies of such books and records. Any such inspection of books and records will be undertaken in such a manner as not to interfere unreasonably with Contractor's normal business operations.

If contractor creates documents that will be posted to external or internet websites, Contractor must comply with Section 508 of the Rehabilitation Act, 29 USC 794(d) (<https://www.section508.gov/manage/laws-and-policies/>), which gives disabled employees and members of the public access to information that is comparable to access available to others.

## **IX. RELATED AGREEMENTS**

- A. All Work is to be performed by Contractor, who may subcontract without ODE's written approval for the purchase of articles, supplies, components, or special mechanical services that do not involve the type of work or services described in [Appendix A](#), Scope of Work, but which are required for satisfactory completion of the Work.

- B. As used herein, “confidential information” means any and all information provided in any form from one party to the other which is, by its nature, information that a prudent businessperson would maintain as confidential. “Personal information,” as described in [1347.01\(E\)](#) of the Ohio Revised Code, includes personally identifiable student information or educational records defined by FERPA.
