RE: SOLE SOURCE NOTIFICATION

Please be advised that Norix Group, Inc. is the sole source manufacturer of the following products:

Hondo Nuevo

Fabrication & Material

Premium TruColor™ polymer is fully compounded for superior color consistency and durability. One-piece rotationally molded, 0.250" flexible polyvinyl chloride exterior skin with softer durometer for a comfortable sit. Filled with flexible 2 part water-based polyurethane foam, fixtured with an interior 5/8" thick oriented strand board structural panel base plate, then attached with tamper resistant fasteners to a rotationally molded LLDPE (linear low density polyethylene) base. Chemically resistant to blood, vinegar, urine, feces, salt solution and chlorine solution. Anti-ligature design with no internal openings.
Made in the U.S.A.

Warranty

10-year limited replacement warranty. Certain apparel dyes, including indigo dyes commonly used in denim jeans, may migrate onto the surface of the material, and become visible on lighter colors. This phenomenon is increased by humidity and temperature and may be irreversible. Certain inks, including ball point ink and permanent markers can create permanent stains.

Performance Test Standards

- Product tested to 750 lb static load
- Product dynamic drop tested to a relative impact force of two times BIFMA 5.4 15.4.2 (250 lbs from 18")
- Tested to 184 lbs Puncture Resistance according to ASTM D4833-07
- Meets or exceeds the requirements of ANSI/BIFMA X5.4-205

Flammability Test Standards:

Compliant with the following flammability standards:

- State of California, Technical Bulletin No. 133, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- State of California, Technical Bulletin No. 117, Flammability Test Procedure for Seating Furniture for Use in Public Occupancies
- UL1056 Fire Test of Upholstered Furniture
- ASTM E1537 Test Method for Fire Testing of Real Scale Upholstered Furniture Items
- NFPA 261 Cigarette Ignition Resistance of Upholstered Furniture

Environmental Test Standards

GREENGUARD and GREENGUARD Gold Certified by UL Environment. Product certified for low chemical emissions to UL 2818.
UL.COM/GG.
