

EDGE/MBE Participation Summary - 2 Year Institutions

Institution Name	Edison State Community College	CB Request	ESC0105005
------------------	--------------------------------	------------	------------

Overview of Institutions Purchasing Process

Edison State Community College promotes participation of minority and disadvantaged firms in the College's purchasing process by requiring that all contractors include a minimum of 5% EDGE certified subcontractors as a requirement for award of a state funded construction project.

Describe Efforts to Encourage Participation of Minority & Disadvantaged Firms in Purchasing Process

Edison State Community College encourages participation of minority and disadvantaged firms by offering a chance to bid projects to firms in the Dayton metropolitan area. This is to provide as much exposure as possible to minority and disadvantaged firms that are located out of the immediate area of Edison State Community College.
