RE: **DMR-230008 CaDC Sanitary**
Bid Award Recommendation Letter

Bids for the CaDC Sanitary project were opened on May 30, 2024. **Surgent Construction** was the apparent low bidder with a bid as follows:

Base Bid: \$630,880.00
Alternate 1: \$51,305.00

Kramer Engineers spoke with Chuck Scheider of Surgent Construction to review their understanding of the project and confirm their confidence in the bid. Kramer Engineers recommends the bid be awarded to Surgent Construction for the base bid for a total contract amount of **\$630,880.00**.

Kramer Engineers recommends the remainder of the construction budget be put towards construction contingency.

Please call with any questions.
Regards,

Brett Kramer, PE
