Dear Executive Director Merick:

As the Governor of the State of Ohio, I authorize implementation of the State Disaster Relief Program (SDRP) as a result a severe winter ice storms that began on February 2, 2022 and lasted through February 5, 2022.

The State Disaster Relief Program is authorized for counties whose damages meet a countywide per capita indicator. The SDRP is a reimbursement program intended to provide supplemental state assistance to local governments and eligible non-profit organizations for costs associated with debris removal, emergency protective measures and permanent work.

Very respectfully yours,
