The parties hereby agree to the proposed construction schedule set forth in Exhibit "E" attached hereto and hereby made a part hereof. Said schedule shall serve as a general guideline and may be amended by the parties as necessary. Lessor shall also cooperate with Lessee during the course of the construction by utilizing the construction requirements and guidelines required by the Ohio Department of Administrative Services, if applicable.

**X. SUBSTITUTE OCCUPYING STATE AGENCIES**

In the event the Occupying State Agency herein named gives up the use and occupancy of the Leased Premises, in whole or in part, during the term of this Lease, Lessee shall have the right at its sole option to place another state agency or agencies in the space given up under the same terms, provisions and conditions as herein specified.

**XI. LESSOR'S COMPLIANCE WITH LAWS**

- A. At the time the same is ready for occupancy, Lessor agrees that the Leased Premises will comply with all laws, ordinances, orders, rules, regulations and requirements of all federal, state and municipal governments, departments, commissions, boards and officers, including the current Americans With Disabilities Act Accessibility Guidelines (ADAAG) for Buildings and Facilities, as applicable to the Leased Premises and the Building, and to the sidewalks, alleyways, passageways, and curbs adjoining the same. The obligations of Lessor under this Article XI shall survive Lessee's acceptance and/or occupancy of the Leased Premises.
- B. In addition to the obligations set forth in Paragraph A of this Article XI, during the term of this Lease, Lessor shall bring and/or keep the Leased Premises in compliance with any and all applicable standards which have been or are hereafter promulgated by the Federal Occupational Safety and Health Administration and the National Institute of Safety and Health.

- Provide to Lessee, upon completion of the improvements, a completed Prevailing Wage Certification that is attached as Exhibit "G"

Lessor shall indemnify Lessee for any civil damages that Lessee may incur if Lessor fails to perform those duties listed above.

For all other duties under this Article XII, Lessee shall promptly notify Lessor of the duties/services which are not being provided. If Lessor does not provide same within ten (10) days of the date of such notice, Lessee may perform or provide the same (or have others do so) and may deduct the cost of performing such duties and providing such services from the rents reserved herein or, at Lessee's option, Lessee may terminate this Lease by giving not less than thirty (30) days written notice to Lessor. The provisions of Article XXIV herein shall not apply in the case of any such failure by Lessor occurring under this Article.

### **XIII. INSPECTION**

Lessee shall permit Lessor or its agent, upon twenty-four (24) hours advance notice, to enter upon the Leased Premises to examine same or to make such repairs or construct such improvements as may be necessary to eliminate hazards to the health and safety of the occupants and the general public, or to make any other repair or maintenance required hereunder. Provided, however, that Lessor may immediately enter upon the Leased Premises for the purpose of making emergency repairs but shall promptly give notice to Lessee of any such entry.

Lessee shall perform/provide the following:

- D. Pay for all telephone services furnished to the Leased Premises.

**XV. LESSEE'S ALTERATIONS/REPLACEMENT**

Lessee shall have the right, but not the obligation, from time-to-time, to make such other and further additions or alterations to the Leased Premises or to replace the Improvements or any part thereof with such other structure or equipment as Lessee may deem desirable; provided, however, that no structural addition, alteration or replacement shall be made to the Leased Premises without Lessor's prior written approval, which approval shall not be unreasonably withheld or delayed.

**XVI. INSURANCE/DESTRUCTION OF THE LEASED PREMISES**

At all times during the term of this Lease, Lessor shall maintain commercial general liability (CGL) insurance with a limit of not less than \$1,000,000 for each occurrence. CGL insurance shall cover liability arising from premises, operations, independent contractors, products/completed operations, personal and advertising injury, together with all costs of defense. The defense cost shall be outside of the policy limits. Lessor shall include the State and Agency as additional insureds. CGL insurance shall apply as primary over any other insurance afforded to Lessor. Lessor waives all rights against the State for damages to the extent there is coverage afforded by Lessor's insurance maintained pursuant to this Lease. Lessor shall provide a certificate of insurance, which must be in a form that is reasonably satisfactory to State as to the contents of the policies and the quality of the insurance carriers. All insurers must have at least an A- (Excellent) rating by A.M. Best & Co.

At all times during the term of this Lease, Lessor shall insure the Leased Premises against loss or damage by fire or other casualties normally covered by standard fire and extended coverage policies for not less than eighty percent (80%) of its actual replacement value through responsible insurance carriers licensed to do business in Ohio, having a Best Insurance Reports policy holders rating of "A" or better and a financial size category of Class VII or better. In the event that the Leased Premises is totally destroyed by fire or other casualty, the term of this Lease shall immediately terminate. In case of partial damage or destruction so as to render, in Lessee's sole opinion, the Leased Premises unfit for its occupancy, Lessee may terminate this Lease upon ten (10) days' notice given to Lessor within sixty (60) days after the occurrence of such damage or destruction effective as of the date set forth in Lessee's termination notice. If Lessee elects to not terminate this Lease,

then Lessor shall immediately rebuild the Leased Premises to its prior condition. During the period repairs are being made, any rent due hereunder shall abate on a pro rata basis.

Lessor shall, for each policy required by this Lease provide State with thirty (30) day prior written notice of cancellation, or non-renewal, except a ten (10) day notice for non-payment of premium. Any failure to comply with this reporting provision may constitute a default of this Lease. State reserves the right to approve or reject levels of self-insured retention, captive insurance, or any other alternative risk-financing program. By requiring insurance herein, State does not represent that the coverage and limits will be adequate to protect Lessor and such coverage and limits do not represent or serve as a limitation on Lessor's liability under the indemnities granted to State under this Lease.

**XVII. EMINENT DOMAIN**

If the Leased Premises is taken in any appropriation proceedings or by any right of eminent domain, this Lease shall terminate from the time when possession of the Leased Premises is taken for public use. Such taking shall not operate as, or be deemed, an eviction of Lessee or a breach of Lessor's covenant of quiet enjoyment. Lessee shall pay all rent due and perform and observe all other covenants, up to the time when possession is surrendered by Lessee. If only a part of the Leased Premises is taken, and if twelve (12) months or more of the applicable term of this Lease then remains unexpired, and if the remaining premises can be substantially restored in Lessee's reasonable opinion within thirty (30) days, then, Lessee reserves the option to continue this Lease. Lessee may exercise this option by written notice given to Lessor within sixty (60) days following receipt by Lessee of notice of the proposed taking. Upon receipt of this notice, this Lease will not terminate, and, at its expense, Lessor will restore the Leased Premises within thirty (30) days following Lessee's notice. The Base Rent payable by Lessee during the period of restoration and the remainder of the term of this Lease shall be reduced on a pro rata basis. Neither party hereto shall have a right of claim against the other for damages or participate in the amount of compensation awarded to the other party. However, Lessor agrees to immediately notify Lessee at the time such appropriation proceedings are initiated against Lessor so that Lessee shall be afforded the opportunity to participate in such proceedings in order to obtain compensation for its damages.

**XVIII. HOLDOVER**

At its option and without there being a new lease or agreement in writing between the parties hereto, Lessee may holdover and remain in possession of the Leased Premises or any part thereof after the expiration or termination of the term of this Lease, on the same terms, provisions and conditions, including Base Rent, as are contained in this Lease excepting as to term. Notice of Lessee's intention to holdover shall be given to Lessor not less than thirty (30) days before the expiration of the applicable term of this Lease. Unless otherwise agreed to by the parties, Lessee may not holdover for more than a total of six (6) months and said tenancy shall terminate at the end of the month in which Lessee actually vacates the Leased Premises.

**XIX. CANCELLATION BY LESSEE**

During the term of this Lease, Lessee may cancel this Lease for any reason whatsoever upon not less than thirty (30) days' notice given to Lessor.

**XX. MEMORANDUM OF LEASE**

At its expense and within ten (10) days of the date of full execution of this Lease, Lessor shall present for recording a fully executed Memorandum of Lease in accordance with Section 5301.251 of the Ohio Revised Code in the office of the County Recorder of Franklin County, Ohio. Lessor shall do likewise with respect to any addendum to this Lease which may be entered into hereafter by the parties. As proof of recording, Lessor shall return the original recorded Memorandum to Lessee, and Base Rent shall not begin to accrue, notwithstanding that the term of this Lease has commenced, until receipt by Lessee of the recorded Memorandum of Lease.

**XXI. SALE OF LEASED PREMISES**

Should Lessor, during the term of this Lease, grant, bargain, sell, convey, transfer or otherwise dispose of the Leased Premises, Lessor shall immediately notify Lessee of such transfer of ownership and shall provide copies of the recorded deed or other instrument transferring title, together with the new owner's name, address, telephone and facsimile number, email address, business entity title, social security number and/or federal tax identification number.

The obligations of Lessor under this Lease shall not be binding upon Lessor herein named with respect to any period subsequent to the transfer of its interest in the Leased Premises as owner or lessor thereof (unless the event complained of occurred prior to the transfer) and in the event of such transfer, said obligations shall thereafter be binding upon each transferee of the interest of Lessor being transferred.

**XXII. NOTICES**

All notices, demands, requests, consents, approvals, and other instruments required to be given pursuant to the terms of this Lease shall be in writing and shall be deemed to have been properly given when: 1) hand delivered, 2) sent by U.S. certified mail, return receipt requested, postage prepaid, 3) if certified mail is either refused or unclaimed, then by regular U.S. Mail, 4) by overnight delivery service with receipt or 5) by fax or email, followed by one of the other methods of delivery described herein; fax or email delivery shall be deemed to be on the date of receipt and the parties hereto agree that a fax or email with confirmation shall be adequate proof of receipt,

### **XXIV. DEFAULTS**

- A. By Lessee. In the event that:

- (1) Lessee shall fail to pay an installment of rent or any portion thereof, or any of the other charges required by this Lease, when the same shall become due and payable and the same shall remain unpaid for a period of thirty (30) days after written notice thereof from Lessor; or Lessee shall be in material default of any other terms or provisions of this Lease and shall so remain for a period of sixty (60) days after Lessor has informed Lessee of such default, by written notice; then Lessor may give notice of termination to end the term of this Lease upon the date specified in such notice, which date shall not be less than ninety (90) days after the date of such notice. Upon the date specified in said notice of termination, the term of this Lease shall expire and terminate as fully and completely and with the same effect as if such date were the date herein fixed for the expiration of the term of this Lease.

- (2) However, if such default cannot reasonably be cured within the required period above, then Lessee shall not be deemed in default so long as it promptly commences to cure the same within the required period and diligently pursues such curing thereafter.
- (3) Upon termination of this Lease, Lessor shall have the immediate right to re-enter and repossess the Leased Premises by due process of law.
- (4) Upon the termination of this Lease by reason of the happening of any event of default specified hereinabove, or upon Lessor recovering possession of the Leased Premises in the manner or under any of the circumstances herein mentioned, Lessee shall pay to Lessor the rents required to be paid by Lessee up to the time of such termination of this Lease.

B. By Lessor. In the event that:

- (1) Lessor is in material default of any terms or provisions of this Lease and shall so remain for a period of thirty (30) days after Lessee has given notice to Lessor of such default, then Lessee may give notice of termination to Lessor upon the date specified in such notice, which date shall not be less than ten (10) days after the date of such notice. Upon the date specified in said notice of termination, the term of this Lease shall expire and terminate as fully and completely and with the same effect as if such date were the date herein fixed for the expiration of the term of this Lease.
- (2) At its option, Lessee may resolve Lessor's default (or have the default resolved by others) and deduct the cost thereof from the Base Rent payable hereunder.
- (3) Notwithstanding Lessee's election under (1) or (2) of this Paragraph B, Lessee shall nonetheless be entitled to pursue any and all rights it may have at law or in equity.

**XXV. USE OF COMMON AREAS**

- A. During the term of this Lease, Lessor hereby grants to Lessee and Lessee's agent, servant, employees and business invitees, a non-exclusive right to use all parking, driveway, walking areas, lobbies, hallways and stairways (the "Common Areas") which may, from time-to-time, be part of or appurtenant to the Leased Premises, together with rights of ingress and egress to and from the Leased Premises at such places as are now or may hereafter be designated by Lessor, together with, and subject to, similar rights granted from time-to-time by Lessor to other tenants in any buildings (including the Building) of which the Leased Premises is a part. Lessor acknowledges that Lessee's cost of the use of the Common Areas is included in the Base Rent payable hereunder.
- B. The use of the Common Areas by the aforementioned persons shall be subject to such reasonable rules and regulations as Lessor may adopt in writing from time-to-time.
- C. Lessor reserves the right to make changes, additions, alterations, or improvements in and to the Common Areas and in the access drives from public thoroughfares or from adjoining

land as may be required by public authorities or as deemed desirable by Lessor, provided said improvements do not in any way adversely affect Lessee's or the Occupying State Agency's right or occupancy hereunder.

**XXVI. LESSEE'S PROPERTY**

Lessor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, any falling plaster, steam, gas, electricity, water, rain, snow, or leaks from any part of the Leased Premises including pipes, appliances, plumbing, roof, or by dampness, or by any other cause whatsoever unless the same results from Lessor's gross negligence or Lessor's failure to maintain or make repairs required hereunder.

**XXVII. FORCE MAJEURE**
